

Home Care

The services and programs that are listed below offer assistance to individuals who need long-term home care assistance. Individuals who need assistance for a short time can also inquire about resources that are listed in the Respite Care section. Additional services and programs can be located through Public Health offices and the Offices for the Aging.

Long Term Home Health Care Program

Lori Stiles

31 Woodlawn Ave.

Saratoga Springs, NY 12866

Ph: 518-584-7460 Ext. 332

This program offers assessment and referral to services for individuals on Medicaid in Saratoga County who cannot live independently in the community and meet eligibility criteria.

Schoharie County Certified Home Health

Agency

284 Main St.

Schoharie, NY 12157

Ph: 518-295-8474

Fax: 518-295-8786

Email: health@co.schoharie.ny.us

This program is focused on assisting Schoharie County residents with medical needs who prefer to remain at home and are referred by a physician. Services are available for all ages and included nursing, physical therapy, occupational therapy, home-health aids, and assessment services. These services are paid for through Medicare, Medicaid, private insurance, or by the patient or their family on a sliding scale payment schedule based on ability to pay.

Palliative Home Care Programs of the Community Hospice Inc.

159 Wolf Rd.

Albany, NY 12205

Ph: 518-724-0242

This service provides homecare to seriously ill individuals who may have longer than six months of life remaining and/or are seeking curative treatment.
