Office for the Aging

The local Office for the Aging provides resources for the elderly and caregivers of the elderly. Services offered include meal delivery programs, both to the home and in a congregate setting, information and assistance applying for Medicare and other insurances, legal and planning services, and programs to locate both medical and non-medical home care services and may provide such services. Assistance may also be offered to cover necessary expenses and applying for other assistance programs including the Weatherization Referral and Packing Program (WRAP) and Home Energy Assistance Program (HEAP). Elder abuse can also be reported through this office.

Respite Care

Respite care is care provided to an individual in the home or facility setting to allow the primary caregiver to go outside the home. To be eligible for most respite program their needs to be an assessment of the individual's ability to care for themselves. Local Offices for the Aging can also offer information on organizations that offer respite care.
