

Shelters

The Department of Social Services and Catholic Charities both can refer individuals to shelters and may operate shelters themselves. Some shelters will not give their physical address to protect people who are leaving an abusive situation so the addresses given here may just be for the administrative office.

Catholic Charities

Please refer to the Catholic Charities Section for contact information.

The Salvation Army

Local Salvation Army corps may offer shelter to the homeless or will refer them to a facility that does have a shelter, refer to the Salvation Army section for the local contact information.
